

Flouner - March 9<sup>th</sup>  
Dear Mr Pfeiffer - 105.227. nd

After four months of confinement  
safely I am once more dodging  
horns & autos & a feeling of great  
daring comes over me every time  
I cross a street.

When I saw you last for said, goodbye  
& I hope I met you again for a  
year. Your hopes have been more than  
resigned. Mrs. Thayer is with me  
here & I am not going back to Venice.  
Cordially James H. Hall
